Lisa Lavine Nagy, MD, FAAEM

Founder & Medical Director,
Environmental Health Center of
Martha's Vineyard

President, Environmental Health Alliance
(nonprofit 501c3)

Member, Massachusetts Medical Society's
Environmental Medicine Committee

"It is possible to treat chronic illness, from depression to cancer, effectively, intelligently, and economically by finding the cause of it, whether it is mold, chemicals, or toxins in air, food, water, and our habitats." ~ Lisa Nagy, MD
