They killed my mother. Attacked my children.

Used My community. My neighborhood.

Since I was a child. Bloodline arranged setup.

And goal is Isolation across the board. Death.

After being sex trafficked. Since 9.

Raped and abused and shuffled through the system.
I always tried to rise above it. Good grades. College.
Then Employment smear.
Paid actors staged around me. Raped again and all was stripped away again.

They have dismantled my entire family over the years. Everything around me. Including my children.

Corrupt judges. Police. Hitmen.
  Stalking got intense.

It's a process. 1-8. I've been 8 for a few years now.

Cut off from help -with them paying people to get in the way. -
They also mess with your medical. (They have tried to block my SS.).
I'm disabled.
