I pray for resolutions across the globe, asap. They've done a lot of damage.

The charts I made and pinned to my page were created from my own experience and the names in my chart of the crime org.

If I had an easy button to hit- to make the global crime organization immediately stop across the globe- I would.
I'm glad to see some shifting. Knowing they're working on it.
🙏. I'm grateful to know it's being investigated. It is global. It's a lot to dismantle everywhere.
