Summary of Information

Regarding Tim Burgess he is being harassed by radio communications, frequencies, with the use of electromagnetic weapons. There is also evidence of cyber crime trolls that are being used on Tim Burgess social media platforms. There are some interferences and mocking Tim Burgess posts and not getting any interaction which may be blocked by the group. The group of people are associated with the military of the Army branch. The group has access to augmented reality (AR), virtual reality (VR), AI (Artificial Intelligence), that blend both the physical and digital worlds together. The digital circus uses visual effects, interactive media, and immersive tech having granted access into medical, bio sensors, and connection to Tim Burgess body. Some of the locations of the attacks were located on his left scrotum, big toe, and ears that were being burnt by the group. The Army military group is using Perl, and visual studio plugins and works on C programs. There was a person that was from Ottawa Canada that was also involved.
