Dear Ms. Durschmidt:

This is in response to your Freedom of Information Act (FOIA) request, as attached. Your request was received on August 18, 2023, and it was assigned case number DODOIG-2023-001293.

This office is responsible for processing all FOIA and Privacy Act requests for access to records maintained by the Department of Defense, Office of Inspector General (DoD OIG). After carefully reviewing your request, we cannot determine exactly which records you are seeking. In addition, the statute under which you submitted your inquiry, 5 USC § 552, requires that requesters identify requested records with sufficient detail that would allow an experienced researcher to conduct an organized non-random search. The FOIA requires federal agencies to provide reasonably described records that contain information that is responsive to a FOIA request. See 5 U.S.C. § 552(a) (3) (A) (i). The FOIA, however, does not require agencies to explain records, answer questions, or conduct research. See NLRB v. Sears Roebuck & Co., 421 U.S. 132, 162 (1975); Zemansky v. EPA, 767 F.2d 569, 574 (9th Cir. 1985). For the above reason, we have determined that your request does not reasonably describe the records that you seek; therefore, it is not a proper FOIA request.

For your information, a record is not reasonably described unless the description contains sufficient information to enable a professional agency employee familiar with the subject area to locate the records with a reasonable amount of effort. It is the requester's responsibility to reasonably describe the records sought under the FOIA. A requester may provide descriptive information in one or two ways: (1) The request must contain file-related information, such as, the type of record sought, the title, index citation, subject area, date the record was created, and the identity of the originator of the record; or (2) It should contain event-related information, such as, the circumstances that resulted in the record being created and/or the date and circumstances surrounding the event that the records cover. See 32 C.F.R. § 286.4(h).

In view of the foregoing, we are not able to process your request. With this action, we are administratively closing your request. If you have any questions regarding this matter, please contact our office at (703) 604-9775 or via email at foiarequests@dodig.mil.

Sincerely,

Eric R. Powers
Government Information Specialist

Description

1041/10000

I have been illegally become a Targeted Individual, under a secret FISA Court, with no Due Process according to the U.S. Constitution. I am being Tortured and killed with Microwave/Nuero Weapons, Gang Stalked, and fired from jobs and followed and told to all places I go to get groceries, library's, and all places to follow and trespass me out. I was again tonight trespassed out of another establishment, without being told why I am being followed, stalked, treated like a Murder and worse. This has been happening to me, a single, caucasin, white, highly educated lady, since 2001 to the current date, 22 years with no end in sight..I have filed Whistelblower advisement to the House and Senate Oversight committees, I hope they charge the FBI, local law enforcement, the DOD and the Air Force has air planes and/or Drones coming at me head on, for the last 22 years, no human can take this Entrappment which is illegal as well. This is premedicated murder, I want this stopped now and the FISA Order they use to Torture me to death!!
