8/2/13

All living things need AIR and you FCC have allowed the most insidious invisible pollution of our shared AIR, pollution that spews 24/7 — In May 2011 the research arm of the World Health Organization classified the radiation from WIRELESS radio frequency as a 2B CARCINOGEN - same class as ASBESTOS, LEAD and DDT - FCC, you should be shut down, under arrest and paying huge fines for allowing wireless companies to spew carcinogenic radiation through our shared AIR.

Received & Inspected

FCC Mail Room

How do you get away with this POLLUTION? Because it is invisible, because you ignore the facts, because you deny the research, because you gain from the lucre of the wireless Companies, because millions of people are hooked on the convenience of wireless gizmos?? Decades ago the TOBACCO companies did the same, they also hid the evidence of cancer associated with their product.

You FCC, have allowed the rampant pollution of our shared AIR. You have put the health of a nation AT RISK, now and for decades into the future. You FCC are complicit in gross crimes against humanity. For what? Greed? Convenience? Power? I hear EMF. Silence is banished from my life. I feel EMF in my ears and head, it hurts me. I will never use wireless, but my neighbors do - so I suffer. I beg you to stop this rampant pollution!

STOP this insanity!
