Comments to FCC on Notice of Inquiry, ET Docket No. 13-84

How does it feel to be radiated 24/7 by RF/Microwaves & be forced to move from my home of 28 years?
DEVASTATING & FRAUGHT WITH ALL MANNER OF HARDSHIPS!

How does it feel after 28 years of living in my home to have 3 towers or masts within 1 sq. mile of my home, & two of the three less than 1600 feet away?
HEADACHES, EYE PAIN & DETERIORATION OF MY VISION, BALANCE ISSUES, HEART IRREGULARITIES, SHORT TERM MEMORY ISSUES, RINGING IN MY EARS & FATIGUE ALL WITHIN THE LAST 12 MONTHS & CONCURRENT WITH THE PLACEMENT & INCREASED EMISSIONS COMING FROM THESE 3 TOWERS.

How does it feel to know that the medical establishment has not been informed by the government concerning the health hazards of RF/MW exposure, nor has it been given the authority by the AMA to diagnose EHS (Electro-Hypersensitivity)?
FRUSTRATING AT BEST!

How does it feel to have no say in the advance of a technology which as far back as 1976 was revealed to be a lethal treat to human health by the U.S. Navy & U.S. Army, & is currently being reinforced & intensified by BioInitiative scientists' research as seen in the 2007 & 2012 reports? Or, how does it feel to know that the I.A.R.C. of the WHO has classified this technology as a 2b human carcinogen placing it on an equal level of danger as living under high tension wires?
PROFOUND GRIEF & HELPLESSNESS!

How does it feel to have a government & **FCC** that is backing aggressively protecting the telecommunications industry & is using out-dated & bogus methods for determining the safety of wireless RF technology, including wireless routers, cell phones, smart

meters? How does it feel to know that they are also covering almost every square foot of the earth with radiation from the cell phone towers (masts) that have no limits & no restrictions or regulations on the number of packages & frequencies that can be utilized on each mast exponentially increasing the dangerous RF/Microwave emissions? And what to say for all of the forced use of wireless routers, laptops & smart phones in our communities by an uninformed & unsuspecting public?
TERRIFYING!

How does it feel to have the only known forum to lodge my concerns (the FCC open-docket) be like finding a needle-in-a-haystack because the FCC & Media do not think that it is important to widely & continually inform the public that it exists?
I FEEL THAT IT IS ABSOLUTELY IRRESPONSIBLE & A DERELICTION OF THEIR DUTY!

This is not an isolated/rare complaint that I am lodging. I have family members & friends who suffer from EHS. Many cannot escape their plight. I am deeply concerned about their & my futures.

WE NEED & MUST BE HEARD & INCLUDED IN THE FABRIC OF THIS NATION, AS IT IS OUR BIRTHRIGHT TO BE, AS AMERICAN CITIZENS. "RADIATION WITHOUT REPRESENTATION" IS A SERIOUS BREACH OF OUR NATION'S CONSTITUTIONAL GUARANTEES. WE DEMAND THAT THE FCC ESTABLISH UNBIASED & SCIENTIFIC STANDARDS FOR THE SAFE USE OF THIS VERY VOLATILE & CONTROVERSIAL TECHNOLOGY.

I respectfully submit this to the FCC open-docket for consideration & posting.

Marc Sanzotta
