Good morning Karen,

I hope all is well.

I will leave again today after meeting with my students. I felt much better prior to entering my office this morning. I am awaiting the accommodations paperwork to be reviewed HR/Katrina Howard and Emily Harris. I've added my time in the Employee Self Service portal. My remaining balance after June 1, 2023, should reflect a total of 49.55.

Thanking you in advance,
