RE: EHS:

REMOVAL OF NEIGHBOR'S SMART METERS SHOULD BE PROVIDED FOR MEDICAL DISABILITY NEEDS

Smart meters produce conducted emission 24 hours a day including harmonics. They don't just transmit radiated emissions once in a while. & they come into a home on utility lines.

HUD and BOLI Bureau of Oregon Land and Industry lawsuit where a water utility **had to remove smart meters 100 plus feet from neighbors homes** to accommodate someone EHS sensitive:

PRECEDENT SETTING FEDERAL LAWSUIT :
